

VOTE. AND VOTE GREEN.

The Conservative cone of silence has fallen on Parliament Hill. Liberals and NDP don't know what to do with their votes. Electing one more will do nothing to change Parliament. We don't need backbench sheep to represent Toronto-Danforth. We need a clear, strong and passionate voice standing up for our values, side by side with Elizabeth May.

We want:

- ✓ Laws that make Canada safer, not meaner
- ✓ Measures that address Canada's growing inequality
- ✓ Budget choices that build a cleaner, greener economy

- ✓ Accountability for MPs and unelected Senators
- ✓ Renewing our democracy, not tinkering on the edges
- ✓ Providing real transparency, starting with MP expenses
- ✓ Working with provinces and cities to address real challenges like transit and housing

Make sure your vote counts beyond March 19th – elect a voice for Toronto-Danforth that will be heard loud and clear, not another sheep.

Help us double the number of Green MPs and make a real difference in Ottawa.

Does the House of Commons need another sheep or someone who will look out for Toronto-Danforth's future?

Do you really want another Liberal or NDP sheep that just blends in to the Commons or do you want someone who has the independence to represent the residents of Toronto-Danforth?

Around the world, people tired of old parties, old fights and slow progress are turning to their Green Party. Green MPs are strong, independent voices for the people who elect them and the issues that matter to them - and to future generations.

One Green MP, Elizabeth May, has spoken out more than 200 times in her first six months in the House of Commons. Imagine the progress we can make with two.

On March 19th the people of Toronto-Danforth can join the herd or join the change.

ADRIANA 爱德安娜 MUGNATTO-HAMU
